

# Prayer Guide

God blesses us daily with many good things, having given us all that we are and all that we have. Realizing that the greatest blessing He has provided is eternal life with him, we look forward to sharing that good news with the world around us. Through “Hope Dreams,” we come together to thank God for the many ways in which he has already worked in our lives and the promise that he will continue to do so in the future.

Because of His great love for us and the many blessings we have already received, we seek to honor him — through reading his word and talking to him in prayer, and generously and responsibly responding to his great love by giving a portion of the time and resources he has already provided so those who do not yet know the love of God may experience the joy that he has already provided to us.

“Now to him who is able to do far more abundantly beyond all that we ask or think, according to the power that works within us, to Him be the glory in the church and in Christ Jesus to all generations forever and ever. Amen.”  
Ephesians 3:20-21
