

HOPE+ELIM

building for the future

Jesus is changing lives through the ministry of Hope+Elim, and you're invited to join the mission through your time, talent, and treasure. The official end of a three-year campaign called "Building 2 a Hope Beyond" for the original purchase and remodel of our facility was December 2021, but the need continues to pay down debt and free up more funds for outreach and ministry.

thank you!

You are an incredible faithful and generous church. Through your faithful giving of time, talent, and treasure, all 5 levels of the building are now buzzing with activity each day as we partner with five faith-based non-profits serving children, students, and those in need. Through the power of Jesus Christ, thousands of prayers, and your generosity, Hope+Elim continues to grow and be a lighthouse in the city of Des Moines!

Why give now?

Paying off our debt frees up money for Kingdom impact (such as continued safety and essential improvements, and even greater outreach to our city) that would otherwise go to the bank for interest payments.

For example, if it takes us another four years to pay off the debt, we end up paying an extra \$148,000 just in interest.

Paying off the debt sooner frees up that money to support our fast-growing ministries and outreach.

Years required to pay off loan	Savings for ministry
3 years	\$37,000
2 years	\$74,000
1 year	\$111,000

Last year, Hope+Elim gave over \$90,000 to local and global mission partners. Paying off debt allows us to have an even greater Kingdom impact in the future!
